Cancellation terms

It is your responsibility to notify Wesley Mission Queensland if you are not available for a scheduled visit. To avoid any charges, please let us know at least 2 business days before your scheduled service time. If notice is given less than 2 business days prior, the full visit fee will be charged to your package, even if the service is not delivered. We do recognise that unexpected situations, such as hospitalisation, may prevent you from contacting us in time. In these cases, please reach out to speak with your Care Partner to discuss your circumstances.

For further information about any of these services please contact your Care Partner or our friendly home care team.
